class where the horses alone were considered, and as it seemed to be a foregone conclusion that she would be turned out in the most approved style as to wagon, harness, robes, and other appointments which go to make a road rig, there was literally no chance that Altomont, Fanchon, May K., or any of the rest-could beat her, barring aeridents. Major P. P. Johnston, Albert Hall, and S. H. Rundle, the judges, went through all the turnouts to inspect the appointments, and then gave the blue ribbon to Water Maid, driven by W. H. Snyder. The fast, good-looking, well-mannered Philadelphia road horse Altemont.owned and driven by James W. Cooke, was second; Col. Kilo's rather plain bay smare. Watercress, 2:27%, driven by Charles G. Moser, was third, and May K. 2:24%, a handsome bay by Sir Walkill, was fourth. The latter mare is owned and driven on the new Speedway by W. M. V. Hoffman, who held the reins over her in the ring yesterday. E. T. Stoteshury's fine-looking brown mare Fanchon, by Wildbrine, was among the unplaced trotters. She caught the eyes of many observers, one of whom remarked:

"There's the one I, would rick out on her looks to beat the party if they were all jogging up the Speedway in a bunch."

The decision in this class left only Water Maid and Emoleta eligible to compete tor the championship in class 20, this event being limited to winners in classes It's and 18 this year and to horses having won first prize in the roadster classes at former shows. Emoleta clearly outclasses Water Maid in conformation, quality, style and way of going, and she was an one winner.

Col. Kip had another walkover for the championship when it came to double teams. His cold-time Horse Show trotters, Emoleta and Mambrino Belle, were eligible by virtue of having won first prize at last vear's exhibition, and his new pair. Water Maid and Watercress, got in through their double victory this season in classes I7 and 19. As in the single harness championship, last year's winners won the prize. Water Maid and Watercress were not sent into the ring. Charles G. Moser, who has fitted and shown Emoleta and Mambrino Belle for several years past, held the reins over them in their walkover vesterday. This exhibition completed a remarkable series of victories for Col. Kip's trotters. Emoleta, Mambrino Belle, Water Maid and Watercress competed in seven classes during the show and they received seven first prizes. Only one blue ribbon in all the driving classes escaped thom, and this was in the class for three-year-olds. In which the Vice-President of the Horse Show Association had no representatives. Col. WASHINGTON, Nov. 19.-The hearing in the case of the officials of the Washington Jockey Club and the layers doing business in the ring. who are charged with the violation of the laws of the District of Columbia, in allowing gambling to go on at the Bennings track on Nov. 12, came up before Police Justice Kimball this morning. Nothing of any importance was done, the men simply pleading not guilty, and the case was laid over until next Friday. The accused men have asked for a trial by jury, and it is the club's intention to fight the matter and have it out now, whether or not betting can go on under the Percy-Gray law, as in New York. The officials of the Washington Jockey C ub were released under personal bonds of \$100 cach. They were President S. S. Howland, Stewards Jesse Brown and Samuel Ross, Timer W. S. Barrett, Starter Mars Cussidy and Patrol Judge C. D. McCoy. The "bookies" were held in \$500 ball, which was also furnished. triumphed over their old rivals, the Yale fresh-men, in their annual match, which was played here this morning. The game was played in a driving rain and on a field ankle deep in water. The teams were well matched in average weight. About 1,200 persons witnessed the game, few caring to venture out in the storm before the 'varsity teams of the two universities met in the afternoon. Throughout the first half of the game the ball was kept well in midfield except in one instance, when the Harvard youngsters rushed it down to Yale's ten-yard line. this point, however, and punted the ball safely out of danger. Neither side was able to score in the first half, time being called with the ball in the centre of the field.

In the second half both teams resorted to a kicking game, with honors about even between Ward and Hall. In an exchange of punts in Yale's territory the Yale lack field fambled a punt, which enabled Hall of Harvard to pick up the ball and, without any interference, evade the entire Yale team, scoring a touchdown, from which a goal was kicked, scoring 6 points for Harvard. from which a goal was kicked, scoring G points for Harvard.

Until the end of the game both teams played strongly on the defensive, the final score resulting in a victory for the Crimson team by G points to Yale's 0. The wet condition of the ball and the muddy field retarded the work of both teams, but in general team work the Harvard men were conceded to have outniayed their opponents. Trinity School football team won the championship of the New York Interscholastic A. A. at Berkeley Oval sesterdny afternoon by defeating lie La Salle Institute by the score of 21 to 5. In spite of the downpour of rain the followers of both schools were out in force, and when the game ended the adherents of Trinity School hugged the victors and paraded around the oval, headed by a large good dressed in the colors of Trinity School, it was the first football championship won by Trinity School and the second championship this year, as they also carried off the basefull honors, which were also won from De La Salle Institute. No scholastic football team in this vicinity for years has played a better game than Trinity school put up yesterday. Although the gridiron in many places was ankle deep in mud, they played a steady game, and simply outplayed De La Salle Institute. The work of S. AMHERST, 16; WILLIAMS, 5.

WILLIAMSTOWN, Mass., Nov. 19.—Amherst defeated Williams on Weston Field to-day by the score of 16 to 5. The field was covered with mud ankle deep, and the slippery condition of the ground made it impossible for Williams to withstand the "guards back" formation which Amherst used steadily throughout the game. Amherst was also aided by the constant fumbling of the Williams backs, which deprived the home team of at least one touchdown. In the first half Williams rushed the ball from the centre of the field to Amherst's five-yard line, where it was lost on a fumble. Amherst then used the guards back formation to good advantage, and though they lost the ball several times on fumbles, soon regained it on similar misplays, and scored a touchdown after ten minutes of play. After the next kick-of Amherst, ook the ball on her own forty-five-yard line and again carried it down the field for a touchdown, although the ball changed hands several times through fumbles. In the second half Amherst weekened somewhat, and only succeeded in scoring after twenty minutes of play. Soon afterward Williams secured the ball on Amherst sthirty-five-yard line, and, by steady bucking, carried it over for a touchdown. The line-up:

RNICHERBOCKER A. C., 12; ORANGE A. C., 0.

The football elevens of the Knickerbocker and Orange Athlete clubs played their second game of the season at the Orange Oval yesterday. The weather detracted considerably from the attendance and left the gridfron in a soft, muddy condition. As a consequence of the teams playing at legame on election day, resteriay's match was a stubbornly fought contest on both sides. The Knickerbocker team outplayed their opponents at all points, seoring a touchdown in each half from which goals were kieked. The New York team put up a strong defensive game, and circled the Orange ends at will. The Orange team fought desperately throughout the game to score, and, although they managed to get in close proximity to the Knickerbocker goal, they failed to score. For the Knickerbocker goal, they failed to score. For the Knickerbocker teams Kingden and Schaefer were conspicuous by their brilliant playing all during the game. The Orange team was sadly deficient in team work. The line-up was as follows: ENICHERBOCKER A. C., 12; ORANGE A. C., O.

FIELD TRIALS.

Joe Cummings Wins the All-Aged Stake at

Newton. NEWTON, Nov. 19.-The fields were in good condition to-day, considering the heavy downpour of rain all day yesterday. The weather vailed during most of the day. Birds were found in ample numbers for purposes of competition. The second series of the All-Aged Stake was resumed. Minnie's Girl and Sport McAllister ran forty-one min-utes. Both were inclined to work beyond bounds and hard to control. They lost a number of opportunities to display ability on birds. Their chief specialty was speed, with distinct inclination to self hunt. Joe Cummings had pronounced superiority over Why Not. He was wise and reliable in finding and pointing, with pleasing range and judgment in conducting it. Cotton Grove Dick and Pearl R. were the last brace of the series. Dick was commonplace, while Pearl was friviolous. The latter made a good showing on scattered birds, however, pointing a number neatly. Her class was not of winners.

Six dogs were kept in the third series. Young Jingo and Pin Money ran 1 hour and 17 minutes. They were difficult to handle at times, but made a good showing in finding and pointing, though missing a number of opportunities on bevies and single birds ridden up by horses. Tick's Boy was not steady to back and at times gave little head to the wishes of his handlers. Uncle B.'s work was classed as that of a fair shooting dog. Joe Cummings and Pearl B. started at 4 o'clock and ran the last race in 24 minutes. Joe displayed good judgment in ranging and was skilful in finding.

First prize was awarded to W. M. Titus's setter Joe Cummings, second to Charlottesville Field Trial Kennel's setter Pin Money, third to Devercaux & Edwards's setter Uncle B. The Subscription Stake will be run on Monday.
